ABSTRACT. The purpose of this short communication is to provide information on the depository for the primary types of the new species described by ALVARENGA et al. (2015) and thus validate the names suggested therein. The depository for the primary types of the new species *Emersonella appendigaster* Alvarenga, Costa & Hansson, 2015 and *Emersonella frieirocostai* Alvarenga, Costa & Hansson, 2015 is the Museu de Zoologia, Universidade de São Paulo, São Paulo, Brazil (MZSP).

KEY WORDS. *Emersonella appendigaster*; *Emersonella frieirocostai*; new species; validation of names.

Due to an omission of text in the original manuscript, the depository for the primary types of the new species described by ALVARENGA et al. (2015) was not specified as stated by Article 16.4.2 of the International Code for Zoological Nomenclature (ICZN 1999).

The purpose of this short communication is to provide this information. The depository for the primary types of *Emersonella appendigaster* Alvarenga, Costa & Hansson, 2015 and *Emersonella frieirocostai* Alvarenga, Costa & Hansson, 2015 is the Museu de Zoologia, Universidade de São Paulo, São Paulo, Brazil (MZSP). The primary types numbers are MZSP 51832 and

MZSP 51829, respectively.
